

Shaun Fox is an entrepreneurial influencer and mentor with two decades of experience in start-ups, working both for himself and assisting others. Shaun specialises in creating financial instruments and lending mechanisms and was the founding partner behind the RAIC group of companies' concept of creating a looped network of community between borrower, purchaser and lender.

Shaun has always believed that the best way to create a successful enterprise is to include the entire value chain of people in the process and share the rewards of that success. His effective application of this philosophy is not limited to financial services, and includes a number of industries such as entertainment, hospitality, accommodation, tech, biotech and mining.

“My real passion is assisting others in wealth creation and helping them achieve their full potential in life and in business.”
